

2025 AWARDS OF EXCELLENCE

Call for entries

ARCHITECTURAL WOODWORK MANUFACTURERS ASSOCIATION OF CANADA

Southern Alberta Award of Excellence for Architectural Woodwork Design

AWMAC Southern Alberta is accepting entries for the **2025 Awards of Excellence**. We invite you to submit commercial or residential projects that **feature architectural woodwork** and were completed in 2023/2024. This award showcases architectural woodwork design and innovation by southern Alberta design professionals.

Did you complete a project that you are proud of? We encourage you to submit it for consideration! Past winners of these awards include both large and small firms, emerging new talent, and established individuals.

FOUR AWARD CATEGORIES: RESIDENTIAL / COMMERCIAL / INSTITUTIONAL CASEWORK / FEATURE
Entry forms can be downloaded at www.awmacsaawards.com / **Submission deadline is March 28, 2025**

The Awards of Excellence program recognizes the importance and impact that architectural woodwork plays in enhancing the quality of life within the built environment of our communities. These awards honor excellence in architectural woodwork design and manufacturing with the goal of advancing the appreciation and exposure of quality architectural woodwork.

Judging will be completed by an anonymous jury made up of a diverse group of leading industry professionals. Judging will be based on some or all of the following criteria depending on the category: *creativity, innovation, cohesive elements, visual impact and manufacturing degree of difficulty*. Each project is judged independently with project scores being numerically tabulated to determine the overall rating for each project.

Winners will be announced at the **Awards of Excellence Gala on May 9, 2025** at the **Hudson**.
The winning projects will receive an award and a letter of recognition.

To RSVP for gala tickets, please email the office at southernalberta@telus.net.
